## The American Ships Coastal and River Classes

### Constellation Class

The *American Constellation* and *American Constitution* operate on both coasts of the United States and provide the most premium atmosphere in the industry. These brand new ships (built in Maryland in 2017 and 2018) are designed to accommodate modern expectations and offer all of the latest amenities. Expansive rooms offer sweeping views from every vantage point, while furnished private balconies allow for total relaxation as we glide to each spectacular destination.

### Independence Class

The *American Star*, *Independence*, and *American Spirit* cruise many of the same itineraries as the Constellation Class ships and offer a similar atmosphere on board. They have slightly smaller staterooms, though still nearly twice the size of other riverboats or small cruise ships, and offer a selection of gracious public spaces and amenities.

### New Revolutionary Riverboats

In 2018, American Cruise Lines introduced the first in a new class of modern riverboats to America's rivers. The first of its kind, *American Song* will elevate the standard for U.S. riverboat cruising, including contemporary styling, a grand four-story atrium, and each stateroom with a private balcony. *American Harmony* will follow in 2019.

### Modern Paddlewheelers

*America*, *Queen of the Mississippi*, and *American Pride* offer an authentic paddlewheeler experience with modern design features. Guests can enjoy large staterooms, private balconies, hotel-style bathrooms, complimentary room service, and a variety of spacious lounges.

### Queen of the West

The *Queen of the West* offers the same amazing cruise experience as our other riverboats, including interior entrances, private balconies, spacious lounges, and an intimate onboard atmosphere. This authentic paddlewheeler has slightly smaller staterooms and was refurbished in 2011.

The dramatic landscapes of the Upper Mississippi River have long inspired artists, writers, and steamboat passengers. It was here that literary great Mark Twain used the majestic river and its scenic bluffs as the settings in his most popular works. Visit his boyhood home in Hannibal, where the characters of Huck Finn, Tom Sawyer, and Becky Thatcher come to life. Explore the beautiful gardens and historic homes of La Crosse. Get close to nature in Red Wing as you witness a variety of bald eagle nests. Enjoy a guided tour of the Black Hawk State Historic Site which celebrates the story of the Sauk and Meskwaki Indians who once called Davenport home.

## General Information

### Departure Ports

All departure ports are located near major airports. Transportation between the airport and ship may be available for an additional charge. Parking is available at all departure locations at nearby commercial garages or lots at a reasonable weekly rate.

### Departure Times

Cruises depart at 1:30 p.m. or earlier if all passengers have arrived. Passengers may board after 10:00 a.m. Crew members will carry your luggage to your stateroom. Passengers are recommended to arrive no later than 12:30 p.m. Cruises sometimes return the evening before the last day of the cruise, and passengers may stay on board until 8:30 a.m. on the last day. Breakfast is served on the last day of every cruise.

### All-American

American Cruise Lines offers a unique experience that emphasizes the history and culture of the United States. American Cruise Lines is an American company and operates ships which are built and registered in the United States. Additionally, all crew members and employees are Americans.

### Reservations

Reservations should be made as far in advance as possible to ensure the availability of the cruise and stateroom choice.

### What to Bring

Casual sportswear is suggested during the day. Casual country club attire is recommended in the evenings and for dinner. Comfortable walking shoes, windbreaker, sweater for cool evenings, and light rainwear are also recommended items. 110-volt household current is available in all staterooms for electric appliances.

### Dining Service

Meals are served in the spacious dining salon, which accommodates all passengers at one seating. The day's menu is announced well in advance, and consists of fresh meats and seafood, as well as in-season fruits and vegetables. Special menus are available to passengers on restricted diets. Most special dietary needs can be accommodated, though advance notice is appreciated. All meals are prepared to order. Coffee, non-alcoholic beverages, and snacks are available 24 hours a day.

### Itineraries and Sailings

American Cruise Lines Inc., does not guarantee departure point, termination point or any intermediate stop. Itineraries, schedules, routes, ships, and staterooms are always subject to change at any time without notice due to weather conditions, availability of docks, shoaling, river conditions, operation of locks, mechanicals, or any other reason. The times and dates of departure and arrival are also subject to change. Some Intracoastal Waterway cruises may travel coastwise at times. The Mississippi River between St. Paul and St. Louis has particularly fickle river conditions which may require itinerary modification.

### Safety Features

American Cruise Lines, Inc.'s ships are equipped with safety, navigation and communications systems, including defibrillators and oxygen. All American Cruise Lines, Inc.'s ships are U.S.-flagged, certified and regularly inspected by the U.S. Coast Guard, U.S. Public Health Service and the Federal Communications Commission.

### Pre-Cruise Hotels & Transportation

Complimentary pre-cruise hotels and transportation are for new bookings only on select 2019 and 2020 cruises. Cruise reservation must be deposited 30 days or more prior to departure date. Hotel will be selected and reserved by American Cruise Lines. Transportation will be provided on the morning of your cruise from the hotel to the ship. Package does not include transportation to the hotel. Hotel selections are subject to change and based on availability.

## Terms & Conditions

These Terms and Conditions should be read carefully and apply when we are the organiser of your package including travel by air and a cruise. Your contract is with Fred's River Cruises a trading name of Fred. Olsen Travel Ltd ("FOT"), a company registered in England and Wales (Company Registration No. 2287241) whose offices are at Olympus House, 2 Olympus Close, Ipswich, Suffolk IP1 3LN. A contract will exist when we have accepted a deposit and issued our confirmation invoice. These Booking Conditions, together with any other information brought to your attention before you booked your package, form the basis of your contract and set out our respective rights and obligations, and all bookings are accepted by us subject to these Booking Conditions. In these Booking Conditions, reference to "we" and "us" mean FOT, and "you" and "your" include the lead-named person on the confirmation invoice (who must be at least 18 years old at the time of booking) and all persons on whose behalf a booking is made.

### Booking and Paying For Your Arrangements

To make a booking please contact Fred's River Cruises on 0800 055 0257, email [sales@americancruiseline.co.uk](mailto:sales@americancruiseline.co.uk), website [www.fredrivercruises.co.uk/american-cruiseline/](http://www.fredrivercruises.co.uk/american-cruiseline/), or contact your preferred travel agent.

A booking is made with Fred's River Cruises when a) you tell us that you would like to accept our written or verbal quotation and b) you pay us a deposit of £100 per person for cruises of 9 nights or less or £750 per person for cruises of 10 nights or more, unless advised differently at the time of booking. A further deposit amount may be required for flights and additional accommodation. When we issue you with a Confirmation Invoice, a binding contract will come into existence. Upon receipt, if you believe that any details on the Confirmation or any other documents are wrong you must advise us immediately, as changes may not be possible later. The balance of the cost of your arrangements (including any applicable surcharge) is due 104 days prior to scheduled departure date. If we do not receive this balance in full and on time, we reserve the right to treat your booking as cancelled and retain your deposit.

### Your Financial Protection

We provide full financial protection for our package holidays. If you buy a single travel service then this might not apply. For flight-based holidays this is through our Air Travel Organiser's Licence number (0944), issued by the Civil Aviation Authority, Gatwick Airport South, West Sussex, RH6 0YR, UK, telephone 0353 103 6350, email [claims@ata.co.uk](mailto:claims@ata.co.uk). When you buy an ATOL protected flight or flight inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. We will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where we aren't able to do so for the unlikely reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances, the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for the unlikely reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme. When you buy a package holiday that does not include a flight, protection is provided by way of a bond held by AETA - The Travel Association 30 Park Street London SE1 9EQ [www.ata.co.uk](http://www.ata.co.uk).

### Pricing

Unless stated otherwise, all brochure prices are per person based on double occupancy of a cabin, and includes passage, dining service, snacks, complimentary cocktail

parties, and entertainment aboard the ship. You are not expected to leave a gratuity on board. Fees do not include most shore tours (unless otherwise noted) or port charges and fees, flights, passports/visas, excess baggage fees, or pre/post-cruise accommodation and transportation. Single cabins are available on all ships, but if one person chooses to occupy a double stateroom, he/she will be charged 150% or 175% of the double occupancy rate depending on the type of stateroom occupied. Pricing is accurate at time of printing and we reserve the right to amend the price of unsold holidays at any time and correct errors in the prices of confirmed holidays within 7 days of the booking.

The price of your holiday is subject to change after you have booked only in certain circumstances. These include changes in the price of the carriage of passengers resulting from changes to the cost of fuel or other power sources, the level of taxes or fees imposed by third parties including tourist taxes, landing taxes or embarkation or disembarkation fees at ports and airports, or exchange rates, any or all of which may mean a variation in the price of your holiday after you have booked. However, there will be no change within 20 days of your departure.

We will absorb, and you will not be charged for, any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums and any amendment charges and/or additional services or travel arrangements. You will be charged for the amount over and above that, if this means that you have to pay an increase of more than 8% of the price of your travel arrangements (excluding any amendment charges and/or additional services or travel arrangements), you will have the option of accepting a change to another holiday if we are able to offer one (we will refund any price difference if the alternative is of a lower value), or cancelling and receiving a full refund of all monies paid to us, except for any amendment charges. Should you decide to cancel for this reason, you must exercise your right to do so within 14 days from the issue date printed on your final invoice, and we will provide a refund of any insurance premiums paid to us if you can show that you are unable to transfer or reuse your policy. Should the price of your holiday go down due to the cost changes mentioned above, then any refund due will be paid to you. We will deduct from this refund our administrative expenses incurred. Please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place.

When you buy a flight-based holiday, all monies you pay to the travel agent are held by him on behalf and for the benefit of the Trustees of the Air Travel Trust at all times. This is subject to the agent's obligation to pay it to us for so long as we do not fail. If we fail, any money held at that time by the agent, or subsequently accepted from you by him, is and continues to be held on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us. When you buy a holiday not including a flight, all monies you pay to the travel agent are held by him on our behalf at all times.

### Travel Insurance

We reserve the right to refuse or cancel a booking if you do not have personal travel insurance. We will treat any cancellation for this reason as a cancellation by you and the cancellation charges will be payable as set out below. Please read your policy details carefully and take them with you on holiday. It is your responsibility to ensure that the insurance you purchase is adequate and appropriate for your particular needs, and covers all travel, cancellation, medical, and repatriation liabilities for the holiday. We reserve the right to request full details of your insurance policy, however please note that we do not check insurance policies for suitability. You are responsible for indemnifying us in full in the event that we incur any losses or expenses arising out of your failure to take out adequate insurance cover.

### Cancellation by You

If you or any other member of your party decides to cancel your confirmed booking you must notify us in writing. Your notice of cancellation will only take effect when we receive it in writing at our offices at Fred's River Cruises. Please note proof of postage (whether Royal Mail or e-mail) is not proof of receipt. You will be responsible for applicable cancellation charges up to the maximum shown below, unless otherwise advised. The cancellation charge

detailed is calculated as a non-refundable £200 per person cancellation administrative charge plus all non-refundable items plus a percentage of the remaining total cost payable by the person(s) cancelling:

104 days or more - loss of deposit and non-refundable items:

103 - 46 days	50%
45 - 00 days	100%

The cancellation administrative charge of £200 per person may be applied as a courtesy discount toward the fare for a future cruise reserved within one year of the date of cancellation.

We strongly recommend you take out suitable insurance to cover you for possible eventualities that would require you to cancel your holiday. Holiday insurance premiums not paid to us are not refundable in the event of cancellation.

You can cancel your booking without paying cancellation charges if the performance of your package, or the carriage of passengers to your destination, is significantly affected by unavoidable and extraordinary circumstances. In such circumstances, we will arrange for your booking to be terminated and for you to receive a full refund. We will observe advice provided by the UK Foreign & Commonwealth Office.

### Changes by You

You may request changing your cruise itinerary or departure date up to 91 days before the scheduled sailing but cruises may not be changed within 90 days of sailing, so if, after our confirmation invoice has been issued, you wish to change any part of your booking you must inform us in writing. Whilst we will do our utmost to assist, we cannot guarantee that we will be able to meet your requested change. All changes will be subject to an administration charge of £100 per person, and any further cost we incur in making this alteration. You should be aware that these costs could increase the closer to the departure date that changes are made and you should contact us as soon as possible. Please note that certain travel arrangements may not be changeable after a reservation has been made and any alteration request could incur a cancellation charge of up to 100% of that part of the arrangements. Where we are unable to assist you and you do not wish to proceed with the original booking we will treat this as a cancellation by you and a cancellation fee may be payable. Please note also that it is important at the time of booking to advise the names of travellers that match the name given on their passport. Failure to do so will usually result in a name change charge by the airline.

You can transfer your booking to another person, who satisfies all the conditions that apply to this booking, by giving us notice in writing at least 7 days before departure. Both you and the new traveller are responsible for paying all costs we incur in making the transfer.

### Changes or cancellation by us

As we plan your holiday arrangements many months in advance we may occasionally have to make changes to or cancel your booking and we reserve the right to do so at any time. If we make a significant change to your holiday, we will inform you or your travel agent as soon as reasonably possible if there is a time before your departure. You will have the choice of either accepting the change of arrangements, accepting an offer of alternative travel arrangements of comparable standard from us if available (we will refund any price difference if the alternative is of a lower value), or cancelling your holiday and receiving a full refund of all monies paid. Except where the significant change is due to unavoidable and extraordinary circumstances (where unavoidable and extraordinary circumstances means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken), if you choose to cancel we will also pay compensation. These options do not apply for insignificant changes. Examples of insignificant change include alteration of your outward return travel by less than 12 hours, changes to aircraft type, change of accommodation to another of the same or higher standard, and changes of carriers. Please note that carriers such as airlines used in the brochure may be subject to change. Alteration of the holiday may be made of necessity or because it appears to us or any other party acting as operator responsible for the holiday or part of the holiday desirable for the safety, comfort or enjoyment of passengers or the operational efficiency of the holiday. Where possible and appropriate, we will make reasonable

efforts to ensure that any changes are as limited as practical. Such alteration will not amount to significant alteration of the holiday contract. We will not cancel your travel arrangements less than 90 days before your departure date, except for reasons of unavoidable and extraordinary circumstances or failure by you to pay the final balance. We may cancel your holiday before this date if, for example, the minimum number of clients required for a particular travel arrangement is not reached. If your holiday is cancelled, you can either have a refund of all monies paid or accept an offer of alternative travel arrangements of comparable standard from us if available (we will refund any price difference if the alternative is of a lower value). In some cases, except where the cancellation is due to unavoidable and extraordinary circumstances, we will pay compensation. We reserve the right in our absolute discretion to terminate without notice the holiday arrangements of any customer whose behaviour is such that it is in our opinion likely to cause distress, damage, danger, or annoyance to our customers, our/supplier employees, or to any third party; or to property. If you are prevented from travelling because, in our or our suppliers' opinion, you appear to be unfit to travel or likely to cause discomfort or disturbance to others, our responsibility for your holiday ceases and we shall be under no obligation to pay any refund, compensation or costs to you. Please note that we have no control over the behaviour of other persons staying at or visiting your holiday accommodation and we are not responsible for any withdrawal or impairment of facilities or other loss or damage caused by them. Under no circumstances are you entitled to share or sub-let your accommodation with anyone other than those individuals shown on your booking.

#### Our Responsibilities

We are a Member of ABTA, membership number Y0128. We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. We can also offer you ABTA's scheme for the resolution of disputes arising out of this contract, which is approved by the Chartered Trading Standards Institute. If we cannot resolve your complaint, go to [www.abta.com](http://www.abta.com) to use ABTA's simple procedure. Further information on the Code and ABTA's assistance in resolving disputes can be found on [www.abta.com](http://www.abta.com). You can also access the European Commission Online Dispute (ODR) Resolution platform at <http://ec.europa.eu/consumers/odr/>. This ODR platform is a means of notifying us of your complaint; it will not determine how your complaint should be resolved. Subject to these booking conditions, your holiday arrangements will be made or performed using reasonable skill and care. We will be responsible if our employees, servants or agents fail to make or perform your holiday arrangements using reasonable skill and care as long as they were acting within the course of their employment or carrying out work, which we had asked them to do. We will not be responsible or pay compensation for any injury, illness, death, loss, damage, expense, cost or other claim of any description, which results from:

- the act(s) and/or omission(s) of the person(s) affected;
- the act(s) and/or omission(s) of a third party not connected with the provision of the services contracted for and which were unforeseeable or unavoidable;
- crucial or unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised; or
- an event which either ourselves, our employees, agents or suppliers and subcontractors could not, even with all due care, have foreseen or forestalled. The services and facilities included in your holiday will be deemed to be provided with reasonable skill and care if they comply with any local regulations that apply, or, if there are no applicable local regulations, if they are reasonable when compared to the local standards in practice. We limit the amount of compensation we may have to pay you if we are found liable under this clause:
  - Loss of and/or damage to any luggage or personal possessions and money, the maximum amount we will have to pay you is £25 per person in total because you are assumed to have adequate insurance in place to cover any losses of this kind.
  - Our liability, except in cases involving death, injury or illness, shall be limited to a maximum of three times the cost of your travel arrangements. This maximum amount will only be payable where everything has gone wrong and you or your party has not received any benefit at all from your booking.

(d) Claims in respect of international travel by air, sea and rail, or any stay in a hotel;

i. The extent of our liability will in all cases be limited as if we were carried under the appropriate Conventions, which include The Warsaw/Montreal Convention (international travel by air); The Athens Convention (with respect to sea travel); The Berne/Cotif Convention (with respect to rail travel); The Paris Convention (with respect to hotel arrangements); and The Strasbourg Convention (CNU) (with respect to travel on inland waterways). You can ask for copies of these Conventions from our offices. In addition, you agree that the operating carrier or transport company's own 'Terms & Conditions of Passage' (which can be found at [www.fredrixcruises.co.uk/tdc-terms-conditions/](http://www.fredrixcruises.co.uk/tdc-terms-conditions/)) will apply to you on that journey. When arranging transportation for you, we rely on the terms and conditions contained within these international conventions and those 'Terms & Conditions of Passage'. You acknowledge that all of the terms and conditions contained in those 'Terms & Conditions of Passage' form part of your contract with us, as well as with the transport company and that those 'Terms & Conditions of Passage' shall be deemed to be included by reference into this contract.

ii. When making any payment, we are entitled to deduct any money that you have received or are entitled to receive from the transport provider or hotelier for the complaint or claim in question.

If it is impossible to ensure your return as scheduled due to unavoidable and extraordinary circumstances, we will bear the cost of necessary accommodation, if possible of equivalent category, for a maximum of three nights. The limit does not apply to persons with reduced mobility and any person accompanying them, pregnant women and unaccompanied minors, or persons in need of specific medical assistance, provided that you notified us of these needs at least 48 hours before the start of your holiday.

#### Complaints

If a problem occurs whilst you are on holiday, you must inform the relevant supplier immediately so that the matter can be put right. If the supplier cannot resolve the problem to your satisfaction at the time, you must also contact us immediately by telephoning our offices on 0800 055 0257 so that we are given the opportunity to help. In the event that a complaint cannot be resolved at the time, you must write to us within 28 days of return to the UK quoting the original booking reference and giving all relevant information. PLEASE NOTE: Failure to take these steps will hinder our ability to resolve the problem and/or investigate it fully and in consequence, your rights under the contract may be affected. We regret we cannot accept liability for any claims that are not notified to ourselves and/or our suppliers strictly in accordance with this clause.

#### Special Requests

Any special requests must be advised to us at the time of booking. You should then confirm your requests in writing. Whilst every effort will be made by us to try to arrange your reasonable special requests, we cannot guarantee that they will be fulfilled. Failure to meet any special request will not be a breach of contract on our part unless the request has been specifically confirmed.

#### Disabilities and Medical Problems

American Cruise Lines, Inc.'s ships are equipped with handicap-accessible rooms. Most ship's lounges, sun decks, and dining salons are accessible by wheelchairs or other walking aid devices, and the ships are also equipped with an elevator for ease of movement between decks. However, we are not a specialist disabled holiday company, but we will do our utmost to cater for any special requirements you may have. If you or any member of your party has any medical problem or disability that may affect your stay, please provide us with full details by writing or emailing us, before we confirm your booking so that we can advise as to the suitability of your chosen arrangements if possible. A qualified and physically able travel companion must accompany travellers who need assistance.

#### Shore Tours

Every American Cruise Lines shore tour falls into one of three categories: 1) FEATURED shore tours are complimentary. Featured tours are selected tours, which typically are offered daily on Columbia & Snake River, Mississippi River, and Alaska Cruises. 2) PREMIUM shore tours typically cost between \$20 and \$70 and may be purchased on board. 3) SIGNATURE shore tours are particularly unique tours with limited availability and which often cost more than \$70. We recommend you reserve

these tours in advance. All shore tours that you may choose to book or pay for whilst you are on holiday are not part of your package holiday provided by us. For any shore tour that you do not book with us, your contract will be with the operator of that shore tour and not with us. We are not responsible for the provision of that tour or for anything that happens during the course of its provision by the operator.

#### Passport, Visa and Immigration Requirements and Health Formalities

It is your responsibility to check and fulfil the passport, visa, health and immigration requirements applicable to your itinerary. You must check requirements for your own specific circumstances with the relevant Embassies and/or Consulates and your own doctor as applicable. Most countries now require passports to be valid for at least 6 months after your return date. If your passport is in its final year, you should check with the Embassy of the country you are visiting. For further information please contact the Passport Office on 0870 5210410 or visit [www.passport.gov.uk](http://www.passport.gov.uk). Up to date travel advice can be obtained from the Foreign and Commonwealth Office, visit [www.fco.gov.uk](http://www.fco.gov.uk). We do not accept any responsibility if you cannot travel because you have not complied with any passport, visa or immigration requirements.

#### Delays and other Travel Information

We regret we are unable to offer you any assistance should a delay disrupt your itinerary. Any airline or other transport provider concerned may however provide refreshments and/or appropriate accommodation. We cannot accept liability for any delay that is due to re-scheduling times by the airline or airline authorities, or for unavoidable and extraordinary circumstances. The latest flight timings will be shown on your tickets, which will be dispatched to you approximately two weeks before departure. You should check your tickets very carefully immediately on receipt to ensure you have the correct flight times. If flight times change after tickets have been dispatched we will contact you as soon as we can to let you know. Under EU Law, you have rights in some circumstances to refunds and/or compensation from the airline in cases of denied boarding, cancellation or delay to flights. Full details of these rights will be published at EU airports and will also be available from airlines. Reimbursement in such cases is the responsibility of the airline and will not automatically entitle you to a refund of your holiday price from us.

#### Guest Behaviour

We reserve the right to terminate your booking arrangements with us immediately, should you or your party fail to conduct yourselves in an orderly manner in the event of such termination, our liability to you and/or your party will cease and you and/or your party will be required to leave your accommodation or other service immediately. We will have no further obligations to you and/or your party.

#### Jurisdiction

When you make a booking you guarantee that you have the authority to accept and do accept on behalf of your party the terms of these booking conditions. A contract will exist as soon as we issue our Confirmation Invoice. This contract is made on the terms of these booking conditions, which are governed by English Law, and the jurisdiction of the English Courts. You may however, choose the law and jurisdiction of Scotland or Northern Ireland if you wish to do so.
